I REMEMBER

the friends I made at Chute.  
 at Chute, I've made friendships that will last a lifetime.  
 performing in front of the school in advanced drama.  
 meeting new friends and how much fun Mr. Tom was.  
 when we had a dart gun fight in Mr. Tom's class.  
 in 7th grade Ms. Reed let me skip math and hang with her.  
 in sixth grade when our class won a giant block of chocolate.  
 when we played hand bells at the Danish Retirement House.  
 how much I've changed.  
 running the eighth grade graduation in sixth grade.  
 going to McDonald's with Mr. Tom.  
 the seventh grade boat trip and getting soaked.  
 standing around the cast list for *Annie* looking for our parts.  
 on the first day of sixth grade I got lost.  
 beating my whole class in a seventh grade history competition.  
 7th grade, I had one of the best teachers ever: Mr. Daniels.  
 the rhythm of music at school dances.  
 in 6th grade the two clowns in class that would have me rollin.  
 performing "Mufaro's Beautiful Daughters" wearing African cloth.  
 coming to Chute in 6th grade and not knowing where to go.  
 when Mr. Tom's class had so much fun on field trips.  
 having to go to school at 7:15 for orchestra in 6th grade.  
 having papers handed back because they were a mess.  
 making new friends in 6th grade.  
 coming to Chute in 6th grade and being nervous!  
 making lots of new friends in 6th grade.  
 coming in from recess.  
 my first day in this school.  
 being in Ms. E. Smith's class at 8 o'clock.  
 the tragic Tuesday of 9/11 when I was in 6th grade.  
 in 7th grade, being in "The Beat" and loving the dancing.  
 running to the cafeteria to see if I made the basketball team.  
 going to McDonald's with Mr. Tom's class in 7th grade.  
 sixth period lunch and singing "Lean on Me" with my friends.  
 having Gateways with Mrs. Meyer.  
 Mr. Tom, because he was a fun teacher.  
 making loud noises during quiet reading time in 6th grade.  
 my teachers were the best in the district.  
 who I danced with at all of the dances.  
 listening to all of Mr. Tom's long stories.

I REMEMBER

my first soccer game against Nichols. It was embarrassing.  
 making honor roll and student of the month.  
 the field trips.  
 going to Museum of Science and Industry in 7th grade.  
 having fun at the Halloween Dance, too much fun!  
 watching the Soul Creations show with Jared and Gabrielle.  
 when we had the student versus staff basketball game.  
 enjoying all three years and Chute and all of the teachers.  
 when I made greens, hammocks, combread in Ms. Halls class.  
 when I starred as Debo in the play, "The Beat."  
 walking on stage in a play and seeing comforting faces.  
 everyone looking cute in their outfits for 8th grade pictures.  
 when we had all of the school dances.  
 when I met Elemboy, Ashley J., Jared F., Shavon and all.  
 when I met my first friends Rossie, Jared, Alysha and Shavon.  
 meeting Caitlin Wyler for the first time in 6th grade.  
 when Mr. Tom took us to the haunted house.  
 when I was the star point guard for the basketball team.  
 the school dances.  
 when I made the pom squad.  
 when I first came to this school.  
 when I passed the constitution test with a 97%.  
 when I passed every math test in Ms. Ramsey's class.  
 when I made honor roll in 6th grade.  
 the boat field trip in 7th grade.  
 all of my friends because they've been there for me.  
 the 8th grade Lion King field trip.  
 when we won our first soccer game.  
 when I became an eighth grader.  
 winning the Olympics in 6th grade.

I REMEMBER

when I first came to school.  
 when I climbed the wall in gym.  
 when the 7th grade had their field day for summer.  
 the best time I had at Chute was in 7th grade.  
 the boat field trip in Chicago. We were all soaked.  
 when I was able to carry my backpack.  
 the first days of school and the last days of school.  
 the first dance.  
 when we had the battles in Mr. Tom's class.  
 we had a breakfast party in class.  
 on a field trip I met Lebran James.  
 when I almost got straight A's on my report card 6th grade.  
 when Whitney H. hit Mr Forde in the head with a basketball.  
 in 6th grade Mr. Mac gave me some money.  
 hearing Chute had an I Tech class.  
 when I was in Mrs. Williams class.  
 me and my friends started a group in math.  
 I ate the oreos on the way to school.  
 when we had a feast in Ms. Williams class.  
 the halloween dance.  
 going on the boat trip in 7th grade.  
 when I had fun all day in school.  
 going to Osco with Mr. Tom in 7th grade.  
 I had a good time rock climbing.  
 when we lit our table on fire with Mr. MacHarg.  
 my friend and I were in the same class.  
 meeting so many nice people.  
 when I had the crowd at the dance.  
 I had the best times when we went on field trips.  
 the day Mrs. Williams wore socks that played music.  
 when me and Desiree took a picture with Perry Thomas.  
 the teachers: Mr Willis, Mr Daniels and Ms Calloway.  
 my first day here, the suspense.  
 when I went to my first dance.  
 when I went on the Paris trip.  
 dressing as a Nun at the Halloween Dance.  
 car rides to volleyball games with the Mullins.  
 when we went on the Chicago boat tour.  
 playing baseball in Spanish.  
 the dances where no one danced and we hung out outside.

## I REMEMBER...

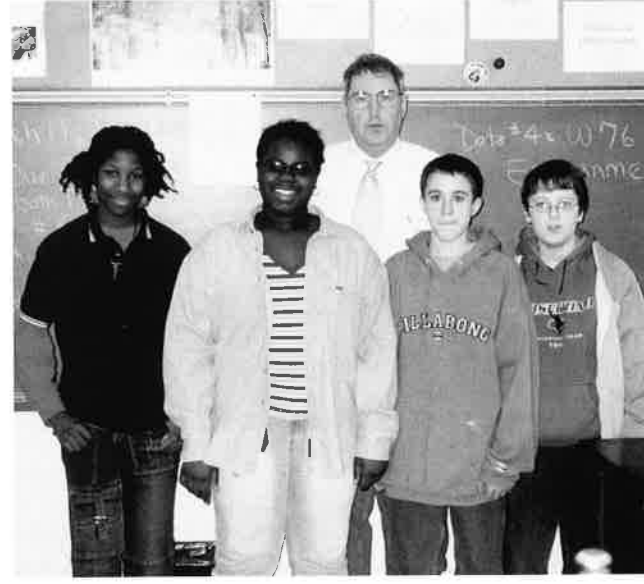

going to Great America with my friends.  
going on the seventh grade boat trip.  
my first day at school and I was scared.  
when I fell down the stairs.  
when I made Student of the Month.  
the first time I walked into Chute. I thought it was big.  
when I went to the boat trip with seventh grade.  
the dances. Most of them were fun.  
meeting all my new friends in seventh grade.  
chilling with friends and acting crazy.  
when I scored the winning shot for the basketball team.  
when I was in sixth grade and Student of the Month.  
the conversations in the lunchroom in seventh grade.  
I beat Derryan Hunt in basketball at recess.  
the free lunch.  
all the times I fell asleep in class at Chute.  
going out to recess and having fun with my friends.  
receiving my report card.  
staring at a fine girl and falling down the stairs.  
all my friends old and new and the dances.  
the dance.  
Chute was great even though I had some shaky times.  
first coming to Chute learning to do big and better things.  
I learned alot about every subject. Now my grades are high.  
sixth and seventh grade field trips and eighth grade graduation.  
when I made Student of the Month.  
reading, understanding and having someone there to help.  
getting lost in sixth grade. I was helped along the way.  
I liked the Halloween Dance we had.  
when I made my car for Mr. Jenkins. It was fun!  
On my first day, I left school (doctor), then had a real lunch.
