**I REMEMBER....**

coming to Chute Middle School for the first time.  
 in 7<sup>th</sup> grade I started making more friends.  
 Mr. MacHarg started calling me EmmyLou.  
 I came here the teachers were nice, and they still are.  
 Mr. MacHarg set his desk and my notebook on fire.  
 the first day of school.  
 Mr. MacHarg lit my paper on fire and blamed me.  
 when I got my first A on my report card.  
 the school went to see "Anything Goes" at ETHS.  
 we went to the Northwestern game and almost got left.  
 the art class I enjoyed at Chute.  
 all the fun jokes we had in Mr. Daniels class.  
 Mr. MacHarg burnt me and Breanae's notes.  
 making a funny movie with Ms. Tzortzis.  
 going to Six Flags all three years.  
 when I got to play Horton the elephant in the musical.  
 leaving Chute to start my summer breaks.  
 when Mr. MacHarg called Malik a M&M.  
 when I first met a special friend.  
 my first day at Chute as a 6<sup>th</sup> grader.  
 the honor roll trip to Navy Pier in 6<sup>th</sup> grade.  
 the first time I opened myself to someone.  
 we went to the Northwestern game and had fun.  
 we were in gym when Brian fell in snow.  
 we had marker fights in Spanish. It was fun!  
 having intense tackling games in the snow.  
 in 7<sup>th</sup> grade when Advanced Drama did the Dream play.  
 doing impressions of the teachers in Spain.  
 meeting new friends.  
 when we had our 2006 winter dance.  
 we went on the honor roll field trip to Imax at Navy Pier.  
 when we had gym last period in 6<sup>th</sup> grade.  
 going to Six Flags with Raven, Joyce, Lindsey, Erica.  
 when I first walked in, got my schedule, made friends.  
 when Mr. Brown sent like 15 kids home in one day.  
 the whole 6<sup>th</sup> grade year was fun!

## I REMEMBER....

when I hid under Mrs. Barragan's desk and scared her.  
the time when I first came to Chute.  
The Chicago Bears came to our school.  
I saved Andres from falling in front of a train in London.  
all the funny stories Mrs. Barragan told us.  
we got to make chairs in art class.  
in 6<sup>th</sup> grade we had field day and got really wet.  
the time we went to the Northwestern Basketball game.  
in 7<sup>th</sup> grade how much fun Mrs. Colquitt's class was.  
I came to Chute, met new people and enjoyed new things.  
the time I got asked out by the same guy twice.  
when I started in the 6<sup>th</sup> grade.  
when someone power bombed Jeffrey.  
at lunch we took pictures. It was fun hanging with friends.  
Mr. Drayton ate 15 burgers in one minute.  
how I've changed from prep to metal head-nonconformist.  
coming to school and people always making me laugh.  
when I popped a bottle cap at Mr. Kim.  
meeting and finding out who my true friends are.  
when Emma tried to "walk it out."  
in 6<sup>th</sup> grade we had to practice dancing the cha-cha slide.  
when the school was evacuated.  
all the fun times in Ms. Colquitt's class.  
all my loony teachers, especially Mrs. Barragan.  
Mr. Forde picked me up by the rock climbing harness.  
when I first came to the school I was really scared.  
everyday I said, "Life's unfair."  
singing karaoke in Ms. Allen's class.  
the Bears came and we were all on the news.  
going to London and having fun with all of my friends.  
Morissa said she played outfield in soccer.  
scoring ten points against Nichols as a 6<sup>th</sup> grader.  
we had a party in Mrs. Barragan's class.  
Karen and April were copying how Anthony walked.  
being at a new school, making new memories.  
having so much fun with all my great, funny friends.

I REMEMBER....

when people were throwing water and got in trouble.  
 in sixth grade I had all the girls.  
 when I touched the ceiling and was only 5 feet tall.  
 performing part of 'Hamlet' at Student of the Month.  
 in drama we had a weird sub and she told freaky stories.  
 when everyone stole Gary's chicken.  
 the first day of 6<sup>th</sup> grade, there were lots of new kids.  
 6<sup>th</sup> grade like it was two years ago. Which it was!  
 when I found out I had Mr. Willis.  
 "I'm just trying to say... You lied to me!"  
 when Ms. Tzortzis burnt some popcorn.  
 Lindsey was pretending to fight a tree and it hit her back.  
 Marissa, Hannah and I roamed the halls to get cake.  
 Joyce was laughing so hard she fell out of her chair.  
 times were fun in 6<sup>th</sup> grade.  
 Field Day was the most memorable day ever.  
 the first time I came to Chute, nobody talked to me.  
 Mr. Jenkins' room blew up and the fire department came.  
 playing basketball with Mr. Shannon at lunchtime.  
 me and my friends having a great time enjoying the party.  
 when Isabel tripped up the stairs and fell.  
 when I first dunked in the gym.  
 Advanced Drama took the trip to Great America.  
 the winter dance, we got to dance and have fun.  
 when Trevor slipped in basketball intramurals.  
 "Come in my room with no work, get a letter!" Mr. Willis  
 playing dodge ball with Mr. Ford, it was fun.  
 the first time I walked into first period, my heart pounded.  
 when I was in the play, "Junebug."  
 I was student of the month.  
 I met my best friends, Simone, Jessica, Jordan, Zenani.  
 Mr. Willis told Jordan, "You wanna talk in my class,  
 get a letter!"

I REMEMBER....

Mr. MacHarg lit the table on fire.  
Isabel cracked her neck while talking to Brunilda.  
I broke my arm and the Bears came to our school.  
early 2006, Constitution test, scored 98%, rainy joy.  
Kassandra got hit in the head with the locker by Sidnei.  
The Bears came to school and all the school dances.  
I first learned to belay a person on the climbing wall.  
I threw dry ice at a kids face.  
Junior got stuck in a locker.  
I had a crush in Mia in 7<sup>th</sup> grade.  
the first day of school in 6<sup>th</sup> grade, everyone changed.  
fun I had with my best friends, Brunnie and Johnny.  
the stink bomb in the hallway and getting suspended.  
the trip to the Northwestern basketball game.  
Chris shot the bottle cap in class and Mr. Kim screamed.  
I physically changed and I got contacts.  
I was playing dodge ball and I hit Kevin in the head.  
I got Kevin to wear a dress and serve tea to our class.  
the strawberry fights in Spanish.  
being undefeated in the 200m run in the track meet.  
the first time I got sent home.  
I got scared of the potatoes with chicken legs in it.  
block class dressed like newscasters and got video taped.  
Daniel sang 'Candy man' in Ms. Oshers' class.  
the fire alarm went off five times in one day.  
Scotty threw Taylor in the street.  
we climbed up the catwalk in Advanced Drama.  
in 6<sup>th</sup> grade we threw paper balls and didn't get caught.  
days at summer school were fun and I made new friends.  
my friends and I goofing off behind the curtain backstage.
