Volume XX

Chute Middle School celebrated our 20th anniversary during the week of November 24, 1986. Dr. Oscar M. Chute, for whom the school was named, was here to help celebrate the occasion.

At its opening in 1966, this new architectural concept housed 14 sections of sixth graders and 10 sections of seventh graders. The largest school enrollment was in the 1971-1972 school year, when the total student population exceeded 900. The current enrollment is 685.

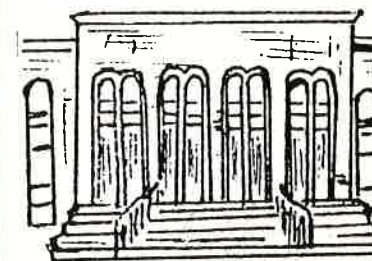

Some of the birthday festivities included a school wide display of student work focusing on Chute life and school history, and the burial of a time capsule to be opened in the year 2000. Some of the items included in the time capsule are: this yearbook, *Review* articles, feelings about the school and 1986-87, and pictures and programs of the year. There was also a birthday balloon launch, an anniversary dance, and a reception for Dr. Chute with past and present staff members and other invited guests.

There was a school-wide assembly which featured the 7th and 8th grade advanced drama classes with improvisations, singing, dancing, poetry, a slide presentation, and speeches. Also featured was Dr. Norbert Simon's son, Fred, a Chute alumni and current jazz composer and pianist.
